COLLISION
- A Christmas Sermon Series -

Were you ever given a Christmas gift that gave you a deeper understanding of life?

Week 1 - The Collision with Mary

Scripture Focus: **Luke** 1:26-38

Quiet moments in life can **reveal profound truths**.

v.28-34 - Mary's **reaction** is one of **skepticism**, not at the angel's **words**, but at her own **favorability**.

v.35-37 - God's **work** isn't being done through **Mary** because of how **good** she is, but because of how **good God** is.

Scripture Reference: 1 **Corinthians** 1:27

v.38 - Mary's **acceptance** of the angel's **words** was an acceptance to **rejection** by **everyone** around her.

The **collision** of heaven and earth isn't about who we **think** we **are**, it's about who **God calls** us to be.

Challenge:

This week, take a Christmas gift tag, then buy a present and give it to someone you know. Then ask them if you can share the story of Mary with them.
