Summer Series: Titus
“Qualified No Matter the Title”

Week 1:

We are called to know our **role**, and **purpose** to help bring about a **greater** experience of God’s **grace** and **peace** within the **local** body of believers.

Week 2:

Scripture Focus: **Titus** 1:5-16

v.5 - Every local congregation is to have **overseers/elders** to look out for the **spiritual** lives of believers.

v.6 - Elders are to **lead** their **families** in a **biblical** manner.

v.7-9 - Elders should have a **consistent growing lifestyle** of **godly** character.

Elders are **not** perfect people, but people who see their **shortcomings** and **seek** the Lord despite of them.

Scripture Reference: **Romans** 7:15

v.10-16 - Another of the elder’s role, is to **protect** the local flock from **external** attacks and **internal** strife.

As believers, we should each **strive** for the **qualifications** of an elder, even though we may **never** hold that **position**.

Challenge:

Read through the qualifications of an elder and seek the Lord to meet those qualifications.
Then ask the Lord for one specific qualification to develop this week.
