

**Sermon Notes**  
**The March to the Resurrection**  
**- Week 1: Humble Seeking**

Scripture Focus: **Luke** 18:15-23

**Four** Groups of People:

**Group 1: The Parents.**

The parents came for the **blessing** of their **children**.

**Group 2: The Children.**

The children were there **following** their **parents**' wishes.

**Group 3: The Disciples.**

The disciples were there as the **gatekeepers** to **Jesus**.

**Group 4: The Rich Young Man.**

The rich young man was there for his **eternal life**.

The **parents** are **contrasted** with the **disciples** in that the parents sought the **least** of these to be **blessed**, whereas the disciples **kept** them **away**.

The **children** and the rich **young** ruler are **contrasted** as the children went **along** with their parents, while the young man would **not** go along with Jesus.

God is calling us to seek **him humbly**, and to seek **blessings** for **others**.

**Challenge:**

Ask two questions of yourself this week:

Am I seeking God humbly as a child?  
Am I seeking the blessing of others like the parents?
